

Google Ads Campaign Design & Optimization

1. Business Overview

Brand Name: UrbanFit Apparel

Business Type:

E-commerce fashion brand (fitness + athleisure wear)

Products:

- Gym leggings
- Sports bras
- Oversized t-shirts
- Joggers
- Activewear sets

Why this brand?

- High online search demand
- Strong Google Ads performance potential
- Clear buyer intent (people search before buying fitness wear)
- Easy keyword targeting

2. Campaign Goals & Objectives

Primary Goal:

- Increase **online sales (conversions)**

Secondary Goals:

- Drive traffic to website

- Increase brand visibility
 - Promote new collection launches
-

KPIs (Success Metrics):

- Click Through Rate (CTR)
 - Conversion Rate (Purchases)
 - Cost Per Click (CPC)
 - Cost Per Acquisition (CPA)
 - Return on Ad Spend (ROAS)
 - Impression Share
-

3. Target Audience

Demographics:

- Age: 18–45 years
 - Gender: All (focus on female segment slightly higher)
 - Location: India (metro + Tier 2 cities)
 - Income: Middle & upper-middle class
-

Interests:

- Fitness & gym
 - Yoga & lifestyle
 - Fashion & Instagram trends
 - Online shopping
-

Behavior:

- Searches fitness clothing online

- Buys from e-commerce sites
 - Mobile-first users
-

4. Keyword Research

gym attire	high	high	40.2
modest gym wear	low	high	5.46
athletic clothes for women	medium	high	17.76
plus size workout clothes	medum	high	1.78

5. Google Search Ads (2 Variations)

Ad Variation 1

Headline 1: Buy Premium Gym Wear Online

Headline 2: Stylish & Comfortable Activewear

Headline 3: New Collection Just Dropped

Description:

Upgrade your fitness style with UrbanFit Apparel. Shop breathable, sweat-proof gym wear designed for comfort & performance. Free delivery available across India.

CTA: Shop Now

Ad Variation 2

Headline 1: Best Activewear for Gym & Yoga

Headline 2: Trendy & Affordable Fitness Clothing

Headline 3: Limited Time Offers Live

Description:

Discover high-quality gym leggings, sports bras & workout tees. Designed for movement, style & comfort. Grab your fitness look today!

CTA: Get Yours Today

6. Ad Extensions

1. Sitelink Extensions

- Women Gym Wear → Women collection page
- Men Activewear → Men collection page
- New Arrivals → Latest products section
- Offers & Discounts → Sale page

Purpose:

Helps users explore multiple product categories → increases conversions

2. Callout Extensions

- Free Shipping Across India
- 7-Day Easy Returns
- Premium Quality Fabric
- Sweat-Proof & Durable

Purpose:

Builds trust + improves CTR

3. Call Extension

- Customer support number added for inquiries

Purpose:

Improves trust & increases conversion rate

7. Budget & Bidding Strategy

Budget Plan:

- Daily Budget: ₹600/day
 - Monthly Budget: ₹18,000/month
-

Reasoning:

- Moderate budget for testing ads
 - Enough for keyword testing + optimization
 - Focus on high-intent users only
-

Bidding Strategy:

Maximize Conversions (with CPC control initially)

Why?

- Goal is sales, not just clicks
 - Google optimizes for users likely to purchase
 - CPC control avoids overspending early stage
-

8. Campaign Setup (SIMULATION)

Campaign Settings:

- Campaign Type: Search Campaign
 - Network: Google Search Only
 - Location: India
 - Language: English + Hindi
 - Devices: Mobile priority (70% budget)
-

Ad Groups:

Ad Group 1: Gym Wear Women

- gym wear for women
- best gym leggings India

- women workout clothes
 - yoga pants online
-

Ad Group 2: Activewear Men

- men gym t-shirts online
 - fitness clothing India
 - breathable workout clothes
 - oversized gym t-shirt
-

Ad Group 3: Premium Activewear

- trendy activewear India
 - best gym outfits online
 - stylish fitness wear
 - affordable gym wear
-

Why this structure?

- Improves Quality Score
 - Increases CTR
 - Reduces CPC
 - Improves ad relevance
-

9. Campaign Strategy Explanation

- Focus on **high intent keywords**
- Mobile-first targeting because most shoppers browse on phones
- Separate ad groups for better targeting
- Conversion-focused bidding strategy
